

Price List

Lashed was established in 1998 and has been the original specialist in eyelash & brow treatments. Lashed has a long line of credits amongst film, television & fashion industries.

Each Lash technician has a Diploma in Makeup Artistry and under goes an intensive lash training program facilitating professional only products.

Our philosophy is all about naturally, full looking extensions with an exclusive custom design.

Acrylic

A thicker tapered synthetic lash.
These will give you a darker fuller look
